

## **VET TECH VACANCY AT FRIARS MOOR LIVESTOCK HEALTH**

Come and join our team of vet techs in our friendly and progressive practice.

Full or part time position.

Previous experience with cattle preferred.

Applicants need to enjoy working in a team, but also be confident to work alone. Good communication skills are essential.

A working day may involve:

- Mobility and body condition scoring
- Assisting with foot trimmers and freeze branding
- Calf vaccination round
- Dehorning
- Calf weighing
- Assisting during TB tests
- Assisting with whole herd or small herd/flock management tasks

Opportunities exist to progress and specialise in Foot Trimming or as an Approved Tuberculin Tester. ROMS accreditation will be provided if not already obtained.

A clean valid driving licence is required.

If interested please contact our practice manager Justine Turnball, with your CV and covering letter **[justine@friarsmoorvets.co.uk](mailto:justine@friarsmoorvets.co.uk)**

Closing date for applications: 28<sup>th</sup> December 2022
